Are you struggling to meet your foster child's mental health needs? TxGBR is here to help.

History

Serving children and families on the South Plains since 1975, Texas Girls & Boys Ranch is accredited by The Council on Accreditation. We offer a variety of services to support children in crisis.

About Us

Turning Point is a specialized collaboration between STAR Health/ Superior Medicaid and Texas Girls and Boys Ranch. The program offers urgent mental-health care for foster children and their foster families. The program provides crisis intervention and acute stabilization with the goal of family-preservation. This innovative program is designed to help foster families support their children with a goal of avoiding unnecessary hospitalization.

When Can We Help?

- Your child is engaging in any self-harming behaviors
- Your child is threatening to harm themselves or others.
- Your child is experiencing mental health struggles.
