

Post Adoption Services

Texas Girls and Boys Ranch is dedicated to providing comprehensive post-adoption support services to enrich the lives of adoptive families. With the assistance of grant funding, we strive to offer specialized services tailored to address the unique challenges experienced by adoptive families.

**Post-Adopt
Service Applications**

Who can access these services?

The program is open to anyone who has adopted or has permanent managing conservatorship (PMC) of a child, including kinship families that did not meet the criteria for post-adoption support services.
